Perfluorinated Chemicals (PFOA/PFOS and others):
EPA 537

By:

William G. Mills
Certification Officer
Date signed and effective June 12, 2017

As of June 12, 2017, this list supersedes all previous lists for this certificate number.
Vermont Certification is based in part upon current New Hampshire Accreditation Certificate of Approval number 255716, September 07, 2016– September 06, 2017, and current New York Certificate of Approval, Serial number 55828, April 1, 2017-April 1, 2018.
Laboratories are certified in Vermont based, in part, upon its Primary Accrediting Authority(ies) drinking water accreditation. Also, loss of drinking water primary accreditation (in part or whole) constitutes loss of certification in Vermont for the same drinking water tests.
