

Con-Test's Opens New York Service Center

Albany, New York (May 2014) – Con-Test has been a mainstay within the New York region for over fifteen years. With our continued growth, we recently opened a Service Center. Con-Test remains committed to providing world-class service within our industry and helping make our client's job easier. This team approach benefits our clients by saving them time and effort.

The following services are offered through our new Service Center:

1. Bottle Kit Delivery!
2. Sample Pick-Up (Monday to Friday, 8:00am to 5:00pm, and after-hours/weekends as needed)!
3. Sample Transportation to our Laboratory!
4. On-site Bottle Kit Preparation for both routine and emergency jobs!
5. Secure Sample Drop-off Location, available 24/7!
