

## Raleigh, North Carolina Service Center Has Moved

Con-Test Analytical Laboratory has been a mainstay within the North Carolina region for over five years. With our continued growth, we have recently moved the service center to better serve our Raleigh Durham Metro clients. The new center is more efficient, bigger, and convenient.

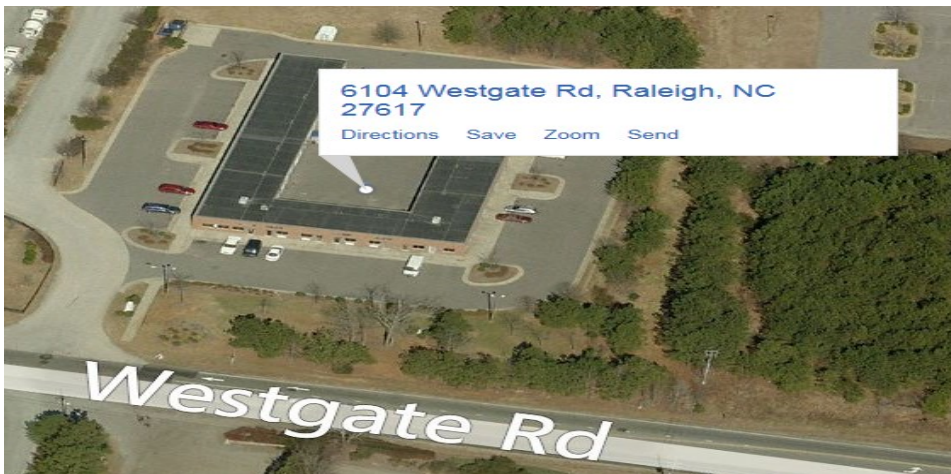

The following services are offered through the service center:

- Bottle kit delivery
- Complete sampling kit building capabilities
- Full courier service covering the greater Raleigh/Durham area
- Samples expertly packaged for shipping by Con-Test employees
- Samples shipped nightly via FedEx Express
- Sample pick-up (Monday to Friday, 8:00am to 5:00pm, and after-hours/weekends as needed)
